MORPHEUS8

Morpheus8 has become so popular that celebrities and consumers ask for it by name.

Experience Morpheus8's clinically proven fractional radiofrequency (FRF) energy to contract loose skin and reveal natural-looking results. It is the skin treatment trusted everywhere to deliver optimal results and address irregularities in smaller body zones. Morpheus8's customizable procedures stimulate the underlying layers of the skin and reveal a more radiant, youthful appearance without surgery.

VASCULAZE^{MAX}

VasculazeMAX is a non-invasive solution to address spider veins, port wine stains, leg veins, and other vascular lesions.

Treat your vascular lesions and prevent them from worsening with VasculazeMAX's safe and highly effective targeted procedures. Utilizing an innovative precision laser, VasculazeMAX effectively diminishes veins without incisions or needles, ensuring a safe and gradual improvement in the appearance of your skin. Transform your skin with VasculazeMAX.

FORMA / PLUS

Discover Forma and Plus, non-invasive thermal technologies that use targeted bipolar radiofrequency (RF) energy to treat both the surface and deeper layers of your skin. They are comfortable, zero-downtime procedures suitable for all skin types and are ideal for those who want to improve the appearance of their skin and achieve natural-looking results without surgery, scars, or downtime. Forma is ideal for the face, neck, and other small body areas, while Plus is designed for larger body areas.

WHAT PATIENTS ARE SAYING ABOUT OPTIMASMAX TREATMENTS

“Morpheus8 is an amazing treatment. My loose saggy skin is firm and I look fantastic. This will definitely be part of my skincare regime going forward.”

- *Jessica*

“Lumecca Peak has given me a new lease on life. My dark ruddy looking skin is glowing and the brown spots are gone.”

- *Taylor*

“Fusion hair removal was so quick and painless - I’m thrilled that I no longer need to worry about shaving! Everyone needs to do this treatment.”

- *Emma*
